

July Board Report for the Community Relations Committee

Report for meeting: June 15, 2021

Community Center

7:00 pm

Community Yard Sale

Our community yard sale in June was a huge success! The amount of \$1,755 that was reported in the newsletter was not quite accurate. We actually made \$2,080 for our general fund! A big thank you to the Bennetts for hosting the yard sale and to everyone who donated items or helped with setting it up or taking it down!

Boat Identification

There are now only 2 boats at Bald Eagle Beach that have not been identified. We are going to assume that those two boats have been abandoned and start focusing our efforts on identifying boats at Bings Landing. Thank you to Jerry Parker for the sign on Bald Eagle Beach designating the area for launching and the area for storing boats.

Newsletter

The newsletter has been mailed out to everyone with ballot Bios for the six people running for board positions and a proxy ballot. We hope to see everyone at the annual meeting when we will be counting the votes. There will be a BBQ / potluck following the meeting.

Little Free Library

Our new Little Free Library was unveiled on June 24th and we have already had many visitors! Every time Randy and I have walked by and stopped to take a peek there have been books taken and new books added to share with others! It is exciting to see the community participation!

Welcome Packet

A Welcome and FireWise packet was mailed to Steve and Joni Marcy who have purchased block 2 lot 18.

Thank you to everyone for a safe Fourth of July during this record heat wave and drought!!
