

Firewise, March 1, 2022

I finally heard from the state regarding funding for Firewise! Good News!! I will receive a grant application by Friday and not only will they be fully funding the draft site but also the permits that cost around \$1000.

Dumpsters will also be available for clean up day and whatever else we need for clean-up day.

RCD also wants to brag about us a little—about how we deposited Kerry Wilson's trailer into dumpsters and will perhaps do a story on us and our efforts to protect our community and prevent the spread of wildfires in our area. The draft site will be a big part of that story as well!!

Clean up day May 7<sup>th</sup> at 9:00
