

June, 2022 Board Report for Community Relations Committee

- On May 7th we had a very successful Lake Clean up and Firewise Preparedness day even though the weather was not cooperating. We had to deal with some rain, but we got a lot accomplished around the lake. Then during our potluck-BBQ it started hailing like crazy, but it was a yummy meal, which was shared with the community and local firefighters. A new memorial plaque honoring Ernie Bleich was erected on the south dam spillway and in the community center.
- On May 20th, Elizabeth Syverson held the first meeting of the Little Fish Club. There were several little fish there, who had fun illustrating and writing what they love about Reflection Lake and planting flowers around the community center.
- Our Community Yard Sale is just over one week away, so please get your donations sorted into categories and delivered to the Bennetts as soon as possible. On Thursday, June 16th, the Community Relations Committee will be getting everything set up for the yard sale and there will be a presale of the unclaimed boats for community members only from 5:00 to 7:00 that evening. The boats that are not sold to community members will go on sale to the general public on Friday, along with everything else. Remember, there will also be a tool sale and bake sale along with the yard sale. The yard sale will be Friday, June 17th through Sunday, June 19th and then our committee will help take everything down on Monday, June 20th.
- Our Community Relations Committee did not have an actual meeting in May because several members of the committee were sick. However, we were able to meet through a group text, and everyone voted on tee shirt designs, and we chose one for our 60th Anniversary. We have already sold over 40 shirts, and we have

ordered 5 more 2XL shirts, because that size already sold out! (Show shirts, price, give phone number for orders)

- The Reflection Lake history book of the last decade is almost complete and will be going to the printer very soon. Randy is in charge of taking preorders for the book and we already have over 30 orders. I will let Randy tell you a little bit more about that.
