

5-7-24 Board notes for CAC

The Community Action Committee has been busy since the last board meeting! We have organized and hosted very two successful events:

April 6th - Milan Elk Road Clean up Day

- This year, we had 2 SCOPE vehicles with 4 SCOPE officers following us around and **keeping us safe** from speeding and reckless drivers.
- I want to say **thank you** to everyone who volunteered! We all worked hard and did a great job making our **road to the lake beautiful** once again.

May 4th - Lake Clean up Day and Picnic

- We had **lots of volunteers** working around the lake all morning.
- The **dumpsters filled** up really quickly.
- Lots of things got accomplished**, including getting rid of a big **abandoned boat at Turtle Beach** that had to be cut up into pieces.
- Then we all had some great **social time** and a **yummy picnic**.
- I want to **thank Keith** for bringing his Blackstone and cooking up all of the hamburgers and hot dogs!
- And I want to **thank everyone** who worked to beautify our community and beaches and for bringing yummy side dishes and desserts!

Fishing Derby has been postponed. We are looking at possibly having it in the fall.

Our **next big event** to organize will be the **Annual meeting on July 27th.**
