

5-7-24 Board Notes for Election Committee

At the last committee meeting we fine tuned our timeline to make sure we will get everything done in a timely manner.

We decided to make **each ballot one third of a piece of paper**. If a person owns 3 lots then they will get 3 ballots - **one for each lot**. It will save on paper and possibly postage. It will also make the counting easier and provide added confidentiality.

We are now starting to contact members,

- Giving them **information** about the **annual meeting** and the **election**
- Making sure we have their **correct address** to mail them their ballot
- Asking if they would like to **run for a position** on the board
- If so, **bios** need to be **emailed** to rlcaannualmeeting@gmail.com by **June 1st**
- Remind them to come to the meeting and **vote** or send in their ballot.

We hope to be sending out the ballots on July 1st.
